

**YOUR ELECTRONICS,
MACHINING & LOGISTIC
SOLUTIONS PROVIDER**

Founded in 1953, Associated Aircraft Manufacturing & Sales, Inc. provides high quality, competitively priced Aerospace & Defense manufacturing, repair, and logistics support services for a wide range of products and platforms. Our key attributes include:

Organic manufacturing of highly engineered parts & assemblies

Overhaul & testing of safety critical hydraulic components

Timely repair & return of critical avionics & electronics

Expert sourcing, MRO & logistic support services for legacy platforms

AAMSI provides product and services for both U.S. and International Defense organizations and militaries as well as Original Equipment Manufacturers (OEMs).

**WORLDWIDE SERVICE
WITH FOCUS & INTEGRITY**

We have been a U.S. Department of Defense (DoD) Contractor since the mid-1970s, registered with the U.S. Government's Business Partner Network and the System for Award Management (SAM) under CAGE Code 56540. We are also International Traffic in Arms Regulations (ITAR) registered.

Headquartered in Ft. Lauderdale, Florida, we operate out of 52,000 sf of manufacturing, repair and operations space. During more than sixty years of service to our customers, we have established a solid reputation for quality, on-time delivery, and competitive pricing.
